

Workshop on Right of Passage to Elephant to Mitigate Human – Elephant Conflict

With the increasing instances of human-elephant conflict in most parts of the country and the vulnerability of the elephants, the Ministry of Environment, Forest and Climate Change , Govt. of India decided to organize regional level workshops involving State Forest Departments, Line Departments (National Highways, Railways, Power,canal), Dept. of Agriculture, Police,Civil Societies,elephant experts, Zilla Panchayat and Revenue Administration to find measures to protect the Wild elephant corridors and methods to mitigate HEC and also for addressing other conservation issues.

The Regional Workshop for the North Eastern Region was organized at Darjeeling on 20th and 21st April, 2018, with stakeholders participation from the States of West Bengal, Assam, Meghalaya, Nagaland, Tripura and Arunachal Pradesh.
